## **Introduction**

### **Our Mission**

**The mission of The Norman Howard School:**

The Norman Howard School (NHS) fosters the academic growth of students with learning needs using an individualized approach. The school's supportive community promotes students' development as respectful, responsible, resilient citizens. The school promotes the understanding of diverse learning needs and serves as a resource for families and professionals.

### **About NHS**

NHS was founded in 1980 and approved by the New York State Department of Education as an approved Special Program in 1990. NHS also holds accreditation by the New York State Association of Independent Schools (NYSAIS).

We currently serve students from over 30 school districts in 9 counties. Being approved by New York State Education Department as a special program provides NHS with a unique opportunity to educate a diverse group of youngsters. NHS collaborates with School Districts' Committees on Special Education (CSE) to meet our students' individual needs. As a special education provider, NHS must adhere to all New York State education laws and each student's Individualized Education Program (IEP).

The Norman Howard School's reputation is built upon the delivery of grade level content, instructional strategies and remediation within a supportive environment so that students can reach their learning potential. NHS encourages all students to explore their learning strengths and challenges to better understand themselves as learners.

# When You Have a Question

The following graph illustrates whom to contact for some of the more commonly asked questions that you may have. If you have a question and you are unsure whom to talk to, please call 334-8010 ext. 300 and speak to our receptionist.

## Contacting us

**Have a question? Talk to us.** There are many ways to keep in touch. Every faculty and staff member has an assigned voice mailbox and email address. To access a specific person, contact the school's main number and follow directory instructions. Faculty will make every effort to return your call as soon as possible. Keep in mind that our priority is delivering instruction; many teachers will find it necessary to return calls at the end of each school day. You can also send email directly to faculty and staff through myNHS or by accessing our on-line directory on our website.

## Advising

**Each student is assigned an advisor** whose job it is to support the individual student's needs and monitor his/her overall progress at NHS. Your child's advisor will provide you with updates via telephone calls, in-person meetings and/or e-mail. We encourage you to contact individual teachers if you have specific questions or concerns regarding an academic content area. Also, we recommend that parents let their child's advisor know what their preferred form of communication is (phone, e-mail, etc.) along with the best times of day to be reached. Our expectation is that communication between the family and advisor will take place every two weeks during the school year. Do not wait for the advisor to contact you if there is something you would like to discuss.

## **General Information**

### **Attendance Policy**

#### **Philosophy**

New York Education Law requires that students enrolled in The Norman Howard School attend on every school day unless legally excused. The Norman Howard School believes that students' participation in classroom instruction is an integral part of the learning process. Students who are absent cannot benefit from the teachers' instruction and expertise of the subject matter, and students who are absent lose valuable interactions between peers and teachers. For this reason, we urge all parents to make every effort for their children to be in attendance.

#### **Statement of Overall Objectives**

The Norman Howard School is an active partner with students and parents in the task of ensuring that all students have every opportunity to reach their educational potential. We recognize that school attendance and academic success have a positive correlation. For this reason, we have developed a comprehensive Student Attendance Policy with the following objectives:

- To increase student achievement and close gaps in student performance;
- To identify attendance patterns in order to design attendance improvement efforts;
- To know the whereabouts of every student during instructional times for safety and other reasons;
- To verify that individual students are complying with education laws relating to compulsory attendance

# Description of Strategies to Meet Objectives

*The Norman Howard School will:*

- Create and maintain a positive school culture by fostering an environment where all members of the school community encourage respectful and nurturing interactions between adults and learners. Our intention is to create a positive, supportive environment, which in turn should lead to increased attendance.
- Maintain accurate recordkeeping to record attendance, absence, tardiness or early departure of each student.
- Track individual student attendance and trends, using the school's data system.
- Develop early intervention strategies to improve school attendance for all students.

## Determination of Excused and Unexcused, Tardiness and Early Departures

Based upon The Norman Howard School's education and community needs, values and priorities, we have determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

- An excused absence is an absence, tardiness or early departure due to personal illness, illness or death in the family, religious observance, quarantine, required court appearances, a doctor's appointment, an approved college visit, approved cooperative work programs, military obligations or other such reasons as determined by the school administration.
- An unexcused absence is an absence, tardiness or early departure which does not fall into the above categories or any absence for which a reason is not provided, including planned family absences.

## Student Attendance Recordkeeping

The record of each student's daily and class-by-class attendance, absence, tardiness and early departure shall be kept in the school's data collection system. An absence, tardiness or early departure will be entered as "excused" or "unexcused" along with The Norman Howard School's coding for reason.

If a student's diagnosis or disability impedes his/her ability to meet NHS attendance standards then an individual attendance plan will be developed and implemented.

## Attendance Incentives

In order to encourage attendance, The Norman Howard School will explore and implement grade/age-appropriate strategies and programs.

## Notice of Students who are Absent, Tardy or Depart Early Without Proper Excuse

The Office Manager or the School Nurse may notify by telephone the parent/guardian of a student who is absent.

**SIGNING IN & OUT:** Any student leaving the building must have prior written permission from a parent/guardian on file for that date/time and must sign out in the Main Office. If the student is a driver, he/she can sign out as long as approval has been granted and the written permission from the parent/guardian has been presented. All other students must be signed out by a parent/guardian.

## Make Up Policy

Students who are absent need to make up the missed work. **It is the student's responsibility to contact the teacher to get the assignments that must be completed.** Failure to complete or fulfill the requirements of the make-up assignment(s) within a timely fashion from the day of return from the excused absence may result in the student receiving no credit for the assignment.

## School Closings

**INCLEMENT WEATHER:** Students attending NHS come from 9 counties and approximately 34 school districts. In some instances, inclement weather will undoubtedly affect the ability of students to arrive at school safely.

**NHS makes an independent determination for school closing** and does not follow any one district. Please download the remind app in order to receive a text message about school closings. The "class code" is @c7fhc32. You may also check Norman Howard's Facebook page or the following television stations, as well as their websites, for the latest school closing information. If you do not receive a text message OR see the listing on our Facebook page by 6:15 a.m. then school will be in session and in person. If the school building is closed due to inclement weather, students are expected to login to Google Meets for virtual instruction.

WROC – Channel 8

WHEC – Channel 10

WOKR – Channel 13

**IF YOUR SCHOOL DISTRICT HAS CLOSED DUE TO INCLEMENT WEATHER:** The safety of your child is our first concern, but there may be instances when NHS remains open and your district has closed. If this occurs the decision is yours as to whether to transport your student to NHS. If your child is unable to attend because there is no district busing due to your school district closing, the day will be counted as an excused absence. The student will be responsible for completing any missed schoolwork.

**SCHEDULED DISTRICT CLOSINGS:** **Be sure to obtain a copy of your district's school calendar.** Many school districts schedule in-service or superintendent's days throughout the school year and do not provide bus transportation. However, your child is expected to attend NHS and absence for non-illness non-weather-related reasons will be counted as unexcused absences. NHS does not maintain a copy of every school district's calendar, so please contact your district's transportation office for more information.

## Bus Transportation

**NHS students are bused by their home school districts.** Students are required to abide by school district rules for busing and are subject to district disciplinary action if transportation rules are not followed. For more information on bus rules, please contact your home school district.

## Parent/Alternate Transportation

**If students are being transported by anyone other than their usual bus,** written parental permission is required. As a courtesy to bus drivers, please notify them if your child will not be riding on a specific day.

- Parents picking up students at dismissal should line up with buses on the North side. PLEASE contact the Main Office so we know not to put your student on his/her bus. Parents picking up their child will be asked to park in the car pickup line so we can double check that all students are accounted for on our pickup list. Parents should bring ID and follow the one-way flow of traffic and should not exit the parking lot until all students are loaded.

## Visitors to NHS

For security purposes, parents and visitors are required to report to the Main Office to sign in and present a valid ID (i.e. driver's license) to be scanned. Each visitor will receive a visitor's pass. Students who wish to bring a visitor to school must receive prior approval from Administration. All visitors are subject to NHS rules of conduct. Any visitor who disrupts the school program, or fails to obtain a visitor's pass, will be directed to leave the premises.

## NHS Parent Association

We encourage parents to get involved with The Norman Howard School by joining the NHS Parent Association (PA). The PA meets during the school year to plan social events, fundraisers and the annual faculty appreciation lunch. The meetings are informal and all are welcome! Please contact the Parent Association at [nhpa@normanhoward.org](mailto:nhpa@normanhoward.org) or join their page on Facebook –*Parents Association of the Norman Howard School* to get involved!

## Mandatory Standardized Dress Code

The Norman Howard School has a mandatory standardized dress code policy. This policy outlines the colors and styles that the students will be required to wear, but allows the parent the freedom to purchase acceptable clothing from the retailer of their choice. The standardized dress code is as follows:

### TOPS

#### SHIRTS

- White, blue, black or gray oxford, dress shirt, polo, turtleneck or collared blouse; long-sleeve or short-sleeve with no writing or graphics
- Official NHS t-shirt or NHS hoodie

## GUIDELINES FOR ALL STUDENTS

- Clothing should provide coverage that is not revealing. Clothing that exposes the midriff or under garments is not acceptable.
- Clothing should be neat, clean, and appropriate, not ripped, torn or frayed.
- Students who are on a district sports team will be allowed to wear team jerseys or whatever is indicated as district designated dress for game days.
- Students who go to another educational placement during the school day, or to a job after school, will be allowed to change into other clothes prior to departure, if desired.
- Any clothing or accessory which is likely to cause a disruption or distraction from school activities is considered inappropriate for students to wear during the school day as outlined in the Code of Conduct. A school administrator will decide if clothing or an accessory is inappropriate.

**NHS T-SHIRTS & NHS HOODIES** Can be purchased through Lands End, [www.landsend.com](http://www.landsend.com). Click the School tab and shop School Uniforms under The Norman Howard School or use our School Number: 900155532

**OUTDOOR FIELD TRIPS**--Students will be notified if their field trip warrants wearing clothing other than the standardized dress.

**JEANS DAY FRIDAYS**—Students will be allowed to wear jeans, without holes, the last instructional Friday of each month. The Senior Class also runs a fundraiser on Jeans Day to raise money for their activities. Students can pay \$1 to wear a hat all-day and \$2 to wear a non-NHS hoodie. If students do not want to pay \$2 to wear a non-NHS hoodie then they must be in a dress code shirt. NHS spirit wear shirts and hoodies are considered dress code.

### Religious or Health Accommodations

When the religious beliefs or health needs of a student conflict with the standardized dress code policy, the school will provide reasonable accommodation. The parent/legal guardian of any student desiring standardized dress code policy exceptions must notify the school administrator in writing of the requested accommodation and the factual basis for the request. Approved coverings worn as part of a student's religious practices or beliefs will not be prohibited under this policy. Medical documentation will be required for health accommodations. The procedures for this process are set forth below:

#### Procedures for Exemption

- A parent/legal guardian may request an exemption from the mandatory standardized dress for religious or medical reasons using the Application for Exemption Form that may be obtained from the school.
- A request must be made within 10 operational days of the beginning of the school year or within 10 operational days of being enrolled at NHS for the first time ("operational days" is defined as days when school is in session).
- Medical exemption requests must be signed by a medical doctor.
- A school administrator will meet with the parent/legal guardian within 5 school days to discuss the NHS standardized dress code policy and to verify the accuracy of the information on the Exemption Form.
- The parent/legal guardian will be notified in writing of the outcome of the conference within 3 school days. If the parent/legal guardian does not agree with the decision, they have a right to appeal to the Executive Director within 5 days by submitting a letter.
- Consideration will be reviewed on a case-by-case basis.

## Driving Policy and Privileges

The NHS parking lot must accommodate our staff and allow access for buses from 30 school districts to deliver our students to and from school. There are a limited number of parking spaces available for student use. Seniors will be given priority along with students who are involved in a vocational, college or transition program. Driving to school is a privilege and can be revoked due to academic, behavioral or safety concerns. In order to drive, students must complete and turn in the NHS Parking Privilege Application.

## Instructional Technology & Internet Usage

The Norman Howard School provides Chromebooks to all students for educational use. After students sign the Acceptance Use Policy, they will receive their own Chromebook device to be used in school and at-home. It is the student's responsibility to treat the device with care (not dropping it, getting it wet, leaving it somewhere, losing it, or submitting it to extreme conditions, temperatures, or abuse). The student also should not remove any school software or physically modify the device in any way to repair, upgrade, or alter it. It is the student's responsibility to return the device at the end of the year in good, working condition. If the student's assigned Chromebook becomes physically damaged in any *accidental* way that requires repair (broken screen, keys falling off, cracked device, etc.), the student is responsible for a \$100 replace/repair fee. The student won't receive a new replacement or repaired Chromebook until the \$100 fee has been paid by the student. If the student's assigned Chromebook becomes physically damaged in any *intentional* way that requires repair (smashed screen, keys peeled off, physical abuse, etc.), or *is lost or stolen*, the student is responsible for the full \$350 replacement cost. If a replacement charger is needed, the student is responsible for a \$35 fee.

Individual users of the NHS computers and computer network are responsible for their behavior and communications over the network. It is presumed that users will comply with both the NHS Acceptable Use Policy (AUP) & Tech-Spectations and will honor the agreements they have signed. Beyond clarification of the policy, NHS is not responsible for restricting, monitoring or controlling the communications of individuals utilizing the network.

The Norman Howard School is committed to providing learners of all backgrounds authentic opportunities to use technology on a daily basis so that it might become a healthy part of their lives not only in learning, but in responsible socialization, communication, planning and organization.

**INTERNET ACCESS:** To gain access to the Internet through the NHS computer network, all students must obtain parental permission by signing and returning the school's Acceptable Use Agreement. Students are responsible for good behavior on the school computer network just as they are in a classroom or a school hallway.

The network is provided for students to conduct research, communicate with others, and support the learning goals set for each student. Access to network services is given to students who agree to act in a considerate and responsible manner.

## Lunch

NHS does not provide a hot lunch program. All students must bring a lunch from home Tuesdays and Thursdays. Students are encouraged to pack and bring a nutritious lunch. High sugar, high caffeine or energy drinks are not allowed. Pizza, from Domino's, will be sold on Mondays and Fridays as a fundraiser for high school activities. Starting in October, the student run Sub Shop will be up and running on Wednesdays. Students have supervised access to microwaves in the school kitchen for heating or re-heating foods.

## Snack Attack

Snack Attack is a school-operated store held before homeroom from 8:15 – 8:25 a.m. that offers students a chance to purchase a variety of snacks. Snacks may include breakfast bars, yogurt, juice, bagels and cream cheese.

## Nursing Services

New York State law requires that each child in a school district has a health examination prior to entering school, (and when first entering The Norman Howard School) and again in the first, third, fifth, seventh, ninth and eleventh grades. Additionally, new entrants to The Norman Howard School, students wishing to play interscholastic sports, and students desiring work permits must have an annual health examination. These health appraisals may be done up to one year before your child begins these grades, i.e. after September 1, 2021 for the 2022-23 school year.

### Medications

If your child will be taking a medication while in school, the following procedure must be followed:

1. The medication permission form must accompany all prescription and non-prescription medications. Inhalers and over-the-counter medications are the only medications that may be carried by a student and self-administered. The physician and parent must sign the medication form where indicated for self-administering medications.
2. All medications must be brought in their original containers. All prescription medication must have the following information: Name of student, date, name of medication, dosage, time medication is to be taken, frequency, and physician's name. Ask your pharmacist to give you another labeled bottle for the school. Please do not send any medications in unmarked containers, as they will not be accepted.
3. Students may not transport medications to and from school.
4. If your child needs a non-prescription medicine to get through the day (e.g., Ibuprofen, Tylenol, cough syrup), it is the parent's responsibility to provide the medication. The medication form must be completed and signed by a physician and parent for all non-prescription medications. Please be specific and indicate the dose your child takes.
5. Medication forms are available in the Health Office.

Please see "Field Trips" for more information about necessary field trip permission, emergency information, and medical release forms required for participation.

## Field Trips

**A priority for NHS is to have students learn through authentic, experiential opportunities.** Educational field trips provide students with a chance to experience learning in areas such as the arts, community service, local and regional history and natural sciences. Occasionally, parents may be asked to assist with field trip supervision.

Students wishing to attend field trips must submit the following:

- Hold Harmless Agreement & an Individual Field Trip Permission Form
- Field Trip Emergency Information Form (overnight trips only)
- Permission for Use of Medication for Field Trips (overnight trips only)

Students must be in good behavioral standing to participate in off-campus field trips. The determination for participation will be conducted by administration in conjunction with input from the grade-level team. Students with excessive truancy will not be allowed to participate in field trips not related to instruction. The appropriate form or forms will be sent home for completion by a parent or guardian. Once the permission slips are received, the School Nurse will organize and prepare medications, if necessary. All of the rules for medication indicated above in the “Nursing Services” section will apply for every field trip. There will be no exceptions.

## NHS Positive Behavior Intervention and Supports (PBIS)

One of the foremost advances in schoolwide discipline is the emphasis on schoolwide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Instead of using a piecemeal approach of individual behavioral management plans, a continuum of positive behavior support for all students within a school is implemented in areas including classroom and non-classroom settings (such as hallways, buses, and restrooms). Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occur. Attention is focused on creating and sustaining Tier 1 supports (universal- whole school), Tier 2 supports (targeted group), and Tier 3 supports (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

Classroom PBIS practices include preventative and responsive approaches that may be effectively implemented with all students in a classroom and intensified to support small groups or a few individual students. Classroom PBIS strategies are important tools to decrease disruptions, increase instructional time, and improve student social behavior and academic outcomes, which is critical as schools are held to greater accountability for student outcomes and teacher effectiveness. Although individual teachers may implement PBIS in their own classrooms regardless of the broader school context, the effects of classroom PBIS strategies are maximized by:

- (a) implementing within a school-wide multi-tiered behavioral framework (MTBF), like school-wide PBIS
- (b) directly linking classroom and school-wide expectations and systems
- (c) merging classroom PBIS strategies with effective instructional design, curriculum, and delivery;
- (d) using classroom-based data to guide decision making. The following school- and classroom-level supports should be in place to optimize the fidelity and benefits of implementation.

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that students view as fair and impartial. School personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the students' ability to grow in self-discipline. Disciplinary action, when necessary, will be firm, fair and consistent so as to be the most effective in changing student behavior. Fairness means that all students will be held accountable for all aspects of student conduct and will be afforded "due process" as defined in this document. Consistency is defined as the school's process of addressing all instances of misconduct in a firm and fair manner.

In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:

1. The student's age
2. The nature of the offense and the circumstances which led to the offense
3. The student's prior disciplinary record
4. The effectiveness of other forms of discipline
5. Information from parents, teachers and/or others, as appropriate
6. The student's grade level
7. Other extenuating circumstances

As a general rule, discipline will be progressive. This means that a student's first violation will usually merit a lighter penalty than subsequent violations.

A student identified as having a disability shall not be disciplined for behavior related to his/her disability. Discipline, if warranted, shall be administered consistent with the separate requirements of this code of conduct for disciplining students with a disability or presumed to have a disability.

#### **A. Penalties**

Students who are found to have violated the code of conduct may be subject to the following penalties, either alone or in combination. The school personnel identified after each penalty are authorized to impose that penalty, consistent with the student's right to due process.

- Oral warning – any member of the staff
- Written warning – school counselors, teachers, teaching assistants, school administrator
- Written notification to parent – school administrator
- Detention – school administrator
- Suspension from social or extracurricular activities – activity advisor/director, school administrator
- Suspension of other privileges – school administrator
- In-school suspension – school administrator
- Removal from classroom by teacher – teachers, school counselors, school administrator
- Short-term (five days or less) suspension from school – school administrator
- Long-term (more than five days) suspension from school – Student's home district for district placed students
- Permanent suspension from school – Student's home district for district placed students

# Student Harassment and Bullying Prevention and Intervention

The Norman Howard School (NHS) is committed to providing an educational environment that promotes respect, dignity, and equality. Norman Howard recognizes that acts of discrimination and harassment, including bullying, taunting, or intimidation are detrimental to student learning and achievement. These behaviors interfere with the mission of our school to educate its students and disrupt the operation of our school. Such behavior affects not only the students who are its targets, but also those individuals who participate in, and witness such acts.

To this end, NHS condemns and strictly prohibits all forms of discrimination and harassment, including bullying, taunting or intimidation against students by students and/or employees and by third parties on school property, which includes school transportation, school field trips, and at school-sponsored, extra-curricular events or activities.

## DEFINITIONS

### **Harassment**

Harassment has been defined in various ways in state and federal law and regulation. The School recognizes that these definitions are important standards and has developed policies and procedures which comply with them. It is also the School's goal, in developing these policies and procedures, to prevent incidents of misbehavior from occurring and/or escalating, to promote a positive school environment, and to limit liability.

The Dignity Act (Education Law 11[7]) defines harassment as the creation of a hostile environment by conduct or by verbal threats, intimidation or abuse that has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well-being; or conduct, verbal threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause a student to fear for his or her physical safety. Such conduct, verbal threats, intimidation or abuse, includes, but is not limited to conduct, verbal threats, intimidation or abuse based on a person's actual or perceived:

- race
- color
- weight
- national origin
- ethnic group
- religion
- religious practice
- disability
- age
- sex
- sexual orientation
- gender (which includes a person's actual or perceived sex, as well as gender identity and expression)

## Bullying

Bullying has been described by the USDE as unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated or has the potential to be repeated over time. Bullying can occur before and after school hours, in a school building or on a bus while a child is traveling to or from school or on the Internet. Children who are bullied and those who bully others could have serious, lasting problems. Additionally, according to the USDE, bullying generally involves the following characteristics:

- **An Imbalance of Power:** Children who bully use their power, such as physical strength, access to embarrassing information, or popularity, to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **The Intent to Cause Harm:** The person bullying has a goal of causing harm.
- **Repetition:** Bullying behaviors generally happen more than once or have the potential to happen more than once.

Examples of bullying include but are not limited to:

- **Verbal:** Name-calling teasing, inappropriate sexual comments, taunting, and threatening to cause harm.
- **Social:** Spreading rumors about someone, excluding others on purpose, telling other children not to be friends with someone, and embarrassing someone in public.
- **Physical:** Hitting, punching, shoving, kicking, pinching, spitting, tripping, pushing, taking or breaking someone's things, and making mean or rude hand gestures.

## Discrimination

Discrimination is the act of denying rights, benefits, justice, equitable treatment or access to facilities available to others, to an individual or group of people because of the group, class or category to which that person belongs. The Norman Howard School does not discriminate on the basis of race, color, national origin, sex, disability, age, marital status, military status, or any other characteristic protected under applicable federal, state or local law in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Retaliation is also prohibited. The following person has been designated to handle student-related inquiries regarding the School's non-discrimination policies:

Renee Widor  
Director of Students  
The Norman Howard School  
275 Pinnacle Road  
Rochester, New York 14623  
Telephone No.: 585-334-8010, ext. 305  
Email: [jbaker@normanhoward.org](mailto:jbaker@normanhoward.org)

Mrs. Widor also serves as the Coordinator for the School's student-related compliance with Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, and the Age Discrimination Act of 1975 and their implementing regulations.

Inquiries regarding the application of regulations prohibiting discrimination on the bases of sex, disability, and age may also be referred to the federal Office of Civil Rights (OCR) within the Department of Education. Visit <http://www2.ed.gov/about/offices/list/ocr/index.html> or call 1-800-421-3481.

## **Hazing**

The Penal Law defines hazing as a person intentionally or recklessly engaging in conduct during the course of another person's initiation into or affiliation with any organization, which creates a substantial risk of physical injury to such other person or third person and thereby causes such injury (Penal Law 120.16).

Under the Penal Law 120.17, it is also considered hazing, even when physical injury does not occur, if a person intentionally or recklessly engaged in conduct during the course of another person's initiation into or affiliation with any organization, which created substantial risk of physical injury to such other person or a third person.

## **Prevention**

The school setting provides an opportunity to teach children, and emphasize among staff, that cooperation with and respect for others is a key value of The Norman Howard School. A program geared to prevention is designed to not only decrease incidents of discrimination, harassment, bullying, taunting or intimidation, but to help student build more supportive relationships with one another by integrating the prevention and intervention program into classroom instruction. Staff members and students will be sensitized through school-wide, professional development and instruction to the warning signs of discrimination, harassment, bullying, taunting or intimidation, as well as to their responsibility to become actively involved in the prevention of such acts before they occur.

Curricular material that raises awareness and sensitivity to discrimination or harassment and civility in the relationships of people of different races, weights, national origins, ethnic groups, religions, religious practices, mental or physical abilities, sexual orientations, sexes or gender expression or identities will be included in the instructional program grades four through twelve.

## **Intervention**

Intervention by adults and bystanders with proper training can be an important step in preventing escalation and resolving issues at the earliest stages. Intervention at the Norman Howard School will emphasize education and skill-building.

Remedial responses to discrimination or harassment, including bullying, taunting, or intimidation, will include measures designed to correct the problem behavior, prevent another occurrence of the problem behavior, and protect the targeted student. Remediation may be targeted to the individual(s) involved in the bullying behavior or to school-wide environmental approaches.

In addition, intervention will focus upon the safety of the targeted student. When aware of incidents of discrimination, harassment or bullying, as well as intimidation or taunting, staff is expected either to refer the targeted student to designated resources for assistance, or to intervene in accordance with this policy and the relevant provisions of the code of conduct.

## **Provisions For Students Who Do Not Feel Safe At School**

The Norman Howard School acknowledges that, notwithstanding actions taken by staff, intervention might require a specific, coordinated approach, if a student does not feel safe at school. Students who do not feel safe at school are limited in their capacity to learn and reach their academic potential. Staff, when aware of incidents of

discrimination, harassment, bullying, taunting or intimidation should determine if accommodations are needed in order to help ensure the safety of the student and bring this to the attention of an administrator. The administrator(s), other appropriate or designated staff, the student and the student's parent/guardian will work together to define and implement any needed accommodations.

## **Training**

The Norman Howard School recognizes that professional development is needed in order to implement an effective discrimination, harassment, and bullying prevention and intervention program. Professional development opportunities to support this program will be provided to all staff as needed.

A staff member referred to as the Dignity Act Coordinator was trained in accordance with state requirements and will continue his/her professional development so as to successfully support this policy and program. Renee Widor is the Dignity Act Coordinator for the Norman Howard School. She can be contacted by email at [rwidor@normanhoward.org](mailto:rwidor@normanhoward.org), by phone at 585-334-8010, ext. 305, or by regular mail at:

Renee Widor  
Director of Students  
The Norman Howard School  
275 Pinnacle Road  
Rochester, New York 14623

Mrs. Widor also serves as the Title IX Coordinator and the Coordinator under Section 504, Title VI, and the Age Act at NHS for purposes of complaints of discrimination, harassment and/or bullying submitted by students and/or their parents.

## **Reporting and Investigation**

Students who have been subjected to discrimination or harassment, parents whose children have been subjected to such behavior or other students or staff who observe such behavior, are encouraged and expected to make verbal and/or written complaint to any school personnel in accordance with the training and guidelines provided. At all times, complaints will be handled in accordance with this policy, and, if applicable, the School's code of conduct and disciplinary rules and procedures. If a staff person is unsure of the reporting procedure, he or she is expected to inquire about how to proceed by speaking with an administrator.

There shall be a duty for all school personnel to report to the Dignity Act/Title IX Coordinator incidents of student-to-student and/or staff-to-student discrimination, harassment and bullying that they observe on school property or at school functions. In addition, there shall be a further duty for all school personnel to report to the Dignity Act/Title IX Coordinator any incidents of student-to-student and/or staff-to-student discrimination, harassment and bullying of which they are made aware by students, staff, parents or guardians. The Coordinator will conduct and/or refer the information to staff for investigation as appropriate.

The results of any such investigation shall be reported to the targeted student and the alleged offender, as well as their respective parents or guardians, in accordance with this policy and/or the school's code of conduct.

## **Disciplinary Consequences/Remediation**

While the primary focus of this policy is on prevention, acts of discrimination, harassment and bullying may still occur. When such acts occur, student offenders will be given the clear message that their actions are inappropriate and will not be tolerated because they are inconsistent with the concepts of tolerance and respect for others and

the fostering of civility in order to provide a safe and supportive school environment for all students. Student offenders must further be advised that their behavior must improve. Student offenders will receive in-school guidance on making positive choices in their relationships with others. If appropriate, disciplinary action will be taken by the administration in accordance with the school's code of conduct as applicable. If the behavior rises to the level of criminal activity, law enforcement will be contacted.

This policy is meant to promote progressive discipline and intervention, as opposed to a "zero tolerance" approach. Responses to students' violations of the policy shall be age-appropriate and include both consequences and appropriate remedial responses to a student who commits one or more acts of discrimination, harassment and/or bullying. Consequences for a student who commits an act or acts of discrimination, harassment and/or bullying shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, the student's history of problem behaviors, and must be consistent with the school's code of conduct.

### **Non-Retaliation**

All complainants and those who participate in the investigation of a complaint, who have acted reasonably and in good faith, have the right to be free from retaliation of any kind.

### **Sex Discrimination, Sexual Harassment, and Sexual Assault**

Federal and state law, including the New York Human Rights Law and Title IX of the Education Amendments of 1972, prohibit discrimination on the basis of sex as well as sexual harassment and sexual assault. Sexual harassment is a form of sex discrimination. It includes unwelcome conduct such as sexual advances, requests for sexual favors, offensive touching, and other verbal or physical conduct of a sexual nature. This conduct may constitute sexual harassment when it is made an explicit or implicit condition of a student's educational opportunities or benefits; is used as the basis for educational or academic decisions; or when it unreasonably interferes with a student's academic or educational performance or creates an intimidating, hostile, or abusive academic or educational environment.

Examples of prohibited sexual harassment include:

- Sexual advances, flirtations, or propositions;
- Verbal abuse of a sexual nature, sexually related comments and joking, graphic or degrading comments about a student's appearance, displaying sexually suggestive objects or pictures including cartoons or vulgar email or social media messages;
- Physical contact or touching such as patting, pinching, or repeated brushing against another's body; and
- Sexual assault.

Such conduct may constitute sexual harassment regardless of whether the conduct is between students; School personnel and students; or outside parties who are conducting business at the School and students. Such conduct may constitute sexual harassment regardless of whether the parties involved are of the same gender or a different gender.

### **Procedures for Complaints of Unlawful Harassment and Discrimination, Including Sex Discrimination, Sexual Harassment and Sexual Assault**

Any student who feels he or she has been discriminated against on the basis of sex, including sexual harassment or sexual assault, or discriminated against on the basis of race, color, national origin, age, sexual orientation, disability, or any other legally protected basis, should promptly report the matter to any School administrator or to Renee Widor, who is the School's Title IX Coordinator (and Coordinator under Section 504, Title VI, and the Age Act)

for student complaints. Mrs. Baker may be reached in person, by telephone, by mail, or by email at the following:

Renee Widor  
Director of Students  
The Norman Howard School  
275 Pinnacle Road  
Rochester, New York 14623  
Telephone No.: 585-334-8010, ext. 305  
Email: [rwidor@normanhoward.org](mailto:rwidor@normanhoward.org)

Complaints that should be reported include complaints of discrimination or harassment committed by other students, employees, or third parties. Parents and/or guardians may also submit complaints on behalf of the student. A student, parent or guardian's right to file a criminal complaint about an incident does not affect their right to simultaneously file a Title IX complaint about the same incident.

Any School administrator who receives such a complaint from a student, parent or guardian, or who otherwise becomes aware of prohibited harassment or discrimination, must immediately notify the Title IX Coordinator.

The School's Title IX Coordinator will arrange for a prompt investigation of the matter. The complaining party and the accused party will each be permitted to provide witnesses and other evidence regarding the alleged discriminatory or harassing incident. The School will handle the investigation in as confidential a manner as possible consistent with the School's need to determine the facts. Questions about confidentiality should be directed to the Title IX Coordinator. It is expected that most complaints will be processed within 30 days, although a longer time frame may be necessary where complex or multiple incidents are involved. The School will determine the outcome of the complaint based on a preponderance of the evidence standard, i.e., whether it is more likely than not that the alleged harassment or discrimination occurred. The parties will be notified in writing of the outcome of the School's investigation. For sex-based discrimination or harassment that occurs in an educational program or activity under Title IX, grievances must follow the School's Title IX Policy & Grievance Procedure <https://www.normanhoward.org/title-ix-dasa>,

[https://4542d0d5-b065-4ff9-8ca7-1c21ca4f6e31.filesusr.com/ugd/752128\\_63e16dde378d491c9d34a20edd8f2bec.pdf?index=true](https://4542d0d5-b065-4ff9-8ca7-1c21ca4f6e31.filesusr.com/ugd/752128_63e16dde378d491c9d34a20edd8f2bec.pdf?index=true)

The Title IX Coordinator can assist in determining whether the School's Title IX Policy & Grievance Procedure applies.

### **Disciplinary Consequences/Remediation**

The School will take all necessary steps to prevent unlawful sexual and other harassment and discrimination and to prevent the recurrence and correct the adverse effects of any harassment or discrimination that is found to have occurred. Student offenders will face possible disciplinary sanctions consistent with the School's code of conduct which may include oral and written reprimands, suspensions, other actions appropriate to the individual situation, and in extreme cases, expulsion. Student offenders will also be reminded that harassment and discrimination is prohibited and will receive in-school guidance on appropriate behaviors in their interactions with others. Any student who was subject to prohibited sexual or other harassment or discrimination may receive counseling or other remedies, such as separation of the parties involved, including interim remedies during the investigation, as needed and as appropriate to the situation. The Title IX Coordinator and/or the School's social worker can provide information to the student or parent or guardian on sources of support and outside counseling.

Employees who are found to have committed unlawful sexual or other harassment or discrimination will face disciplinary sanctions appropriate to the individual situation. Possible disciplinary actions may include, but are not limited to, counseling, oral or written warnings, transfers, or termination.

## **Non-Retaliation**

Students and their parents or guardians who raise concerns and submit complaints of sexual or other harassment or discrimination in good faith may do so without fear of reprisal. The School prohibits retaliation of any kind due to the filing of a complaint of harassment or discrimination under Title IX or any other federal, state, or local statute, or against any person who has participated in the investigation of such a complaint. Any student or other person who believes they have been subject to prohibited retaliation should immediately notify the Title IX Coordinator.

## **Policy Review and Modification**

This policy will be reviewed periodically to assess its compliance with state and federal law and revised as needed.
